TERMS AND CONDITIONS

By signing this form, you agree to West End Radiators' (the "Supplier") Standard Purchase Terms. You (the "Buyer") are responsible for providing accurate measurements, documentation and any other data that is referred to in the Core Order Form ("Purchase Order"). The Core Order Form refers to the purchase order between Buyer and Supplier for the purchase and sale of Goods and/or Services, to which these Standard Purchase Terms are attached or are incorporated by reference. The "Warranty Period" for physical goods (aluminum heat exchangers) purchased from West End Radiators is 1 year (365 days) from the date of purchase.
