

# WESTEND RADIATORS

## CUSTOM BUILT HEAVY-DUTY & INDUSTRIAL RADIATORS

Heat Exchangers Designed For  
Extreme Working Conditions

### THE BENEFITS OF OUR HEAVY-DUTY CUSTOM INDUSTRIAL RADIATORS

- We're one of the only radiator repair shops in Western Canada specializing in industrial heat exchangers
- Our industrial radiators are engineered for maximum durability, performance, and efficiency.
- We can come to you to measure/assess your rad, and our shop is equipped with overhead cranes, allowing us to easily lift thousand pound rads

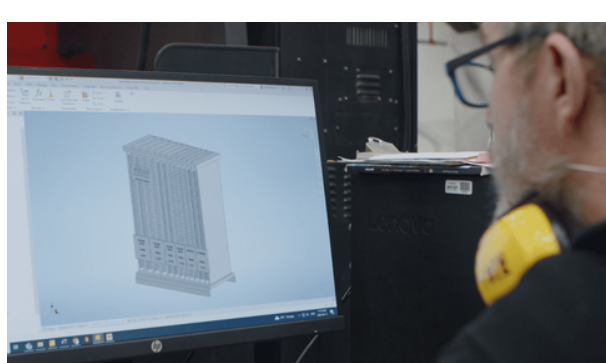

### WHY CHOOSE WEST END RADIATORS OUR DIFFERENCE

Here's what sets our custom heavy-duty rads apart:

- Quick responses on quotes with detailed custom radiator order forms.
- Heavy-duty industrial radiators engineered for maximum durability, performance, and efficiency.
- Manufacturing heavy-duty radiators and industrial cooling system parts is what our company has specialized in for the last 60+ years.

### TWO WAYS TO ORDER A CUSTOM HEAVY-DUTY AFTERMARKET RADIATOR

#### SAMPLE PART OR DRAWING

Provide the West End Rad team with the sample part or drawing of the industrial cooling system part that you're looking to customize.

#### VIN OR P/N

Provide the VIN or P/N for the cooling system part you're looking for and our team will either build it to your request or see if we already have the item in our extensive part inventory.

#### WHO WE SERVE

### OUR INDUSTRIES

We're proud to build custom industrial radiators for a range of industries, including:

- |                         |                                   |
|-------------------------|-----------------------------------|
| • <u>Transportation</u> | • <u>Power generation</u>         |
| • <u>Oil &amp; gas</u>  | • <u>Forestry</u>                 |
| • <u>Mining</u>         | • <u>Industrial manufacturing</u> |
| • <u>Construction</u>   | • <u>Health care</u>              |
| • <u>Agriculture</u>    | • <u>Education</u>                |

#### OEM & Aftermarket Solutions

We stock most OEM replacements — if unavailable, our technicians will assess your part for repair.
